LOCAL COUNCIL AWARD SCHEME

The Council are delighted to let you know that Westerham Town Council was awarded the Gold Award in the Local Council Award scheme.

This award not only recognises our achievement in the local council sector and celebrates what we do well but also help us to improve through benchmarking ourselves against a common framework, and identifying how we can improve further. In addition it will boost our credibility with external organisations, partners and funders by giving them confidence that we meet a nationally accepted standard.

King George's Field Re-development Update

PHASE 1

Costells Meadow Car Park was extended and resurfaced to tidy up the area and add additional parking spaces.

PHASE 2

Playground refurbishment – we replaced the swings and added equipment that is inclusive for all, including a wheelchair friendly roundabout and basket swing. We also installed a gravity bowl, a role play train, loud speakers and 3 play panels. We levelled and resurfaced, adding in a pop of colour.

PHASE 3

Coming soon.....

The concrete part of the **Skate Park** for wheeled sports is almost complete. The base for the tarmacked plaza has been put in, as has the base for the seating area. Works are on schedule and we hope to be able to open this new area for scooters, skateboards, bikes and wheelchairs before the end of September.

What's next?

PHASE 4 – we have gone out to tender to find a contractor to install a **Perimeter Path** around the field and to access the car parks, playground and new skate park. This will provide a level, all-weather surface that is accessible for all. We are busy trying to secure the funding needed to hopefully get this installed before the worst of the winter months are upon us.
